

WEIGHT OF ICE, SNOW OR SLEET ENDORSEMENT

The Weight of Ice, Snow or Sleet Endorsement applies to the farm service buildings identified on **your** Declarations with this form number.

We will cover the specified farm service buildings against damage caused by weight of ice, snow or sleet. This coverage is excess over any other insurance or warranty. However, if the other insurance is specifically written as excess insurance over this endorsement, the limits of this endorsement will apply first.

Deductible \$ _____

All other provisions of this policy apply.
